TEACHING EXPERIENCE

Instructor, Research in Exercise and Sport Science (EXSS 273) (University of North Carolina – Chapel Hill)

Fall 2016 – 58 students – 4.23/5.00 student evaluation rating (above department average)
Spring 2017 – 49 students – 4.69/5.00 student evaluation rating (above department average)
Summer 2017 – 27 students – 4.58/5.00 student evaluation rating (above department average)
Fall 2017 (Section 001) – 51 students
Fall 2017 (Section 002) – 51 students
Duties included preparing and delivering lectures on research methods, including study designs and statistical analyses.

Teaching Assistant, Introduction to Epidemiology for Public Health (Epidemiology 600 www.unc.edu/epid600/) (University of North Carolina – Chapel Hill, Summer 2011).

Duties included preparing and delivering short review lectures on online interface, monitoring small group work, evaluating students' class participation, answering student questions, grading case studies and exams, and contributing to the development of course materials.

Teaching Assistant, Introduction to Biostatistics (The Ohio State University, 2009 Summer Program in Applied Biostatistical and Epidemiological Methods).

Duties included preparing and delivering review lectures on course content, monitoring student work, answering student questions.

Instructor, The University Community (General Studies 1999) (The University of Washington, Autumn 2003, Autumn 2004).

Duties included preparing hour-long interactive lectures/discussions related to resources on- and off-campus, monitoring students' class participation, answering student questions, grading case studies and exams, and contributing to the development of course materials.
