Quarterly Newsletter | July 2023

We hope you had a wonderful Independence Day (July 4). We're excited to share with you all the wonderful updates from the THRIVE Program team. We've been busy growing our team and serving more Veterans and first responders. We've graduated two additional IOP cohorts since our April newsletter, and we're regularly evaluating three patients each week. We're looking forward to sharing more updates with you in October.

Intensive Outpatient Program

THRIVE Program Video

We partnered with the UNC Development Office to create this mini documentary. The story follows our first THRIVE Program Intensive Outpatient Program (IOP) cohort.

A special thanks to our cohort participants (Matty, Leah, and Ted) and to Jeyhoun Allebaugh for his storytelling.
